#### Notes:

- Conduct of Examinations**
  - Candidates who take an examination earlier than the published starting time shown on the timetable must remain under supervision until one hour after the published starting time for that examination.
  - Candidates who take an examination later than the published starting time shown on the timetable must remain under supervision from 30 minutes after the published starting time for the paper concerned until the time when those candidates begin their examination.
  - When a change is made to the published starting time for an examination it is the responsibility of the centre to inform all candidates affected by the alteration.
- Subject specific notes and Key Dates**
  - Principal Learning Units – the closing date for receipt of marks for Internally Assessed Units is 5 June 2012
  - Creative and Media Principal Learning Units – the final date for submission of work to the Examiner for the Externally Assessed Units (Level 1 Unit 6, Level 2 Unit 7, Level 3 Units 5 & 6) is 5 June 2012
  - Project Qualifications – the final date for receipt of marks for Projects is 15 May 2012
  - The pre-release case study for Engineering Principal Learning Level 2 Unit 8 will be released on the Edexcel website and should be issued to learners on 13 April 2012
  - The pre-release case study for Information Technology Principal Learning Level 3 Unit 2 will be released on the Edexcel website and should be issued to learners on 21 April 2012
  - The pre-release case study for Information Technology Principal Learning Level 3 Unit 7 will be released on the Edexcel website and should be issued to learners on 28 April 2012
  - Wednesday 15 August 2012** – restricted release of Level 3 qualification results to centres only
  - Thursday 16 August 2012** – release of Level 3 qualification results to candidates
  - Wednesday 22 August 2012** – restricted release of Level 1 and 2 qualification results to centres only
  - Thursday 23 August 2012** – release of Level 1 and 2 qualification results to candidates
