1 Key Dates

The information in this section refers to the Entry Level Certificates (Academic) (ELC(A)). Please refer to the relevant sections of this Information Manual for all other entry level qualifications. Entry procedures for ELC(A) are similar to those for GCE and GCSE qualifications. ELC(A) is only available to authorised centres.

1.1 Entry deadlines and results

Please see the Key Dates section of this Information Manual for the entry and results dates, and the certification and centre mark submission dates. The Key Dates section also includes details of when EDI basedata and Edexcel Online is available for the submission of entries.

1.2 Retention of certificates

It is not necessary to return uncollected certificates to us, as they can be destroyed (in a confidential manner) after retention for a period of no less than 12 months.

2 Entry Procedures

2.1 Methods of entry

Please see the Making Entries section of this Information Manual for details of how to enter candidates and for information on fees, results and certification.
