4 GCE and GCE in Applied Subjects

1 Key Dates

Centres should check well in advance the dates for oral and practical tests, which will fall outside the main written examination paper series.

Candidates starting a GCE in an Applied Subjects course must be registered so that unit entries can be made for them. For candidates entering units in the January 2012 series, registration must be made between 1 September and 21 October 2011. For all other GCE in an Applied Subject September 2011 starters, registration must be made between 1 September and 15 November 2011. Registering candidates does not automatically enter a candidate for entries in either the January or June examination series. Unit entries and cash-ins must still be submitted.

1.1 Entry deadlines and results

Please see the Key Dates section of this Information Manual for the entry and results dates, and the certification and centre mark submission dates. The Key Dates section also includes details of when EDI basedata and Edexcel Online is available.

1.2 Retention of certificates

It is no longer necessary to return uncollected certificates to us. They may be destroyed (in a confidential manner) after retention for a period of no less than 12 months from the date of issue.

2 Entry Procedures

Please see the Making Entries section of this Information Manual for details of how to register and enter candidates (using Edexcel Online) and for information on fees, results and certification.

Please refer to the EDI section of the Edexcel website if examination entries are submitted via EDI.

3.1 Alphabetical list of subjects and availability with unit, option and cash-in codes for GCE and GCE in Applied Subjects

Notes

- Candidates intending to cash-in their unit scores for a subject grade must be entered for the appropriate cash-in codes. Units taken on previous occasions should not be entered unless the candidate wishes to enter for the unit again to improve their results.
- Candidates must be registered in order for them to be entered for units in GCE in Applied Subjects specifications.

Applied ICT (GCE in Applied Subject)**Technical Requirements for GCE Applied ICT****1.1 Workstation specifications**

It is the responsibility of centres to ensure that their IT systems meet the technical requirements of the qualification.

1.2 Software

Candidate eportfolios must be viewable by software documented in the Moderator's Toolkit available on the GCE Applied ICT webpage.

1.3 Security and backups

It is the responsibility of the centre to keep candidate's work secure. Centres are strongly advised to utilise virus-checking software and to employ an effective backup strategy, so that an up-to-date archive of candidate's work is maintained.

No special consideration will be given to any candidate whose work is lost or destroyed as a consequence of inadequate centre security/backup procedures.

Submitting marks and eportfolios (internally assessed units)**2.1 Mark submission**

Centres must submit candidates' unit marks electronically using Edexcel Online or EDI.

To submit marks using Edexcel Online, the relevant centre user must be given access. This should be specified by the administrator at the centre responsible for creating new centre accounts. Further information can be found on Edexcel Online.

Whilst it is possible to submit marks via EDI, centres must use Edexcel Online to check their moderator and sample details.

2.2 Identification of the sample

The sample of work required for moderation is notified via the Edexcel Online system. It is available several weeks prior to the submission of marks. Please refer to the document 'Moderation of ePortfolios - Guidance for Centres' located on the GCE Applied ICT webpage for further information.

2.3 eportfolio submission

Candidates must present their project work in an eportfolio that conforms to the technical specification given in the specification. The eportfolio must be self-contained and constructed so that its contents can be accessed via the Moderator's Toolkit.

Any eportfolios that do not adhere to the technical specification will not be moderated.

Those candidates' eportfolios that are selected for sampling must be sent to reach the moderator by the submission deadline.

Administration of written paper units (6953, 6957, 6959)**3.1 Instructions for Conduct of Examination**

Centres must refer to the 'Instructions for the Conduct of Examination' document produced for each examination series available on the GCE Applied ICT webpage.

French

Notes: Centres that require a visiting examiner for unit 6FR01 option B and unit 6FR03 option B must have notified Edexcel by the date specified in the Key Dates section of this Information Manual and in the Notes section of the GCE June timetable. Instructions on how to request a visiting examiner are available on the French subject page of the Edexcel website. A visiting examiner is only available to centres with enough candidates for the equivalent of at least 10 tests (morning or afternoon of examining). No exceptions can be made to this rule. Centres should note that an entry for unit 6FR01 option B and unit 6FR03 option B does not automatically entitle the centre to a visiting examiner. A request must be made via the established procedure, by the deadline stated, for the centre to be eligible for a visiting examiner.

In accordance with Edexcel's Safeguarding Children Policy, it is the centre's duty to provide a responsible adult to chaperone the visiting examiner for the duration of the oral examination. If a responsible adult is not available, the oral examination cannot take place. Please refer to the Edexcel website for access to the full Safeguarding Children Policy.

Centres entering candidates who are not taught in the centre must ensure that all candidates are fully informed of the requirements of the specification.

The window in which to conduct the January Unit 1 speaking tests is stated in the Key Dates section of this Information Manual and in the Notes section of the GCE January timetable.

The window in which to conduct the June Unit 1 and Unit 3 speaking tests is stated in the Key Dates section of this Information Manual and in the Notes section of the GCE June timetable.

History

Note: Unit 6HI01 Options E and F are identical, except that Option F includes an additional topic (F7 From Second Reich to Third Reich: Germany 1918-45). Centres wishing to offer topic F7 should enter their candidates for Option F. Unit 6HI01 Option F is a prohibited combination with A2 Unit 6HI03 Option D1 From Kaiser to Fuhrer: Germany 1900-45 (June only examination). Centres wishing to enter candidates for A2 Unit 6HI03 Option D1 in the June examination series may not therefore enter candidates for AS Unit 6HI01 Option F, however they may enter candidates for AS Unit 6HI01 Option E.

Notes: Centres that require a visiting examiner for unit 6SP01 option B and unit 6SP03 option B must have notified Edexcel by the date specified in the Key Dates section of this Information Manual and in the Notes section of the GCE June timetable. Instructions on how to request a visiting examiner are available on the Spanish subject page of the Edexcel website. A visiting examiner is only available to centres with enough candidates for the equivalent of at least 10 tests (morning or afternoon of examining). No exceptions can be made to this rule. Centres should note that an entry for unit 6SP01 option B and unit 6SP03 option B does not automatically entitle the centre to a visiting examiner. A request must be made via the established procedure, by the deadline stated, for the centre to be eligible for a visiting examiner.

In accordance with Edexcel's Safeguarding Children Policy, it is the centre's duty to provide a responsible adult to chaperone the visiting examiner for the duration of the oral examination. If a responsible adult is not available, the oral examination cannot take place. Please refer to the Edexcel website for access to the full Safeguarding Children Policy.

Candidates at centres where a language specialist is not available to conduct the oral assessment for 6SP01 option A and 6SP03 option A, or who do not meet the requirements to enter for 6SP01 option B and 6SP03 option B may be required to travel to London for assessment via London Centre Orals. Instructions on how to apply for London Centre Orals are available on the Spanish subject page of the Edexcel website. Alternatively, candidates can be assessed at another centre.

Centres entering candidates who are not taught in the centre must ensure that all candidates are fully informed of the requirements of the specification.

The window in which to conduct the January Unit 1 speaking tests is stated in the Key Dates section of this Information Manual and in the Notes section of the GCE January timetable.
