Maximum marks for Part 1 = 12

PART 2 – SPEAK TO COMMUNICATE				
Marks	Listen and Respond (Max marks 3)	Pronunciation (Max marks 3)	Range (Max marks 3)	Accuracy (Max marks 3)
3 marks	Fully understands instructions and engages in discussion, making extended responses to other candidate's contributions and expanding on them where appropriate. Candidate employs turn-taking strategies and is able to take part in a discussion situation and able to offer suggestions, explanation and argument.	Consistently uses stress and intonation and articulates most sounds of English to be understood by a sympathetic native speaker.	Uses a full range of language appropriate to level clearly and effectively. Uses long, complex utterances using connectives and subordinate clauses. Uses appropriate vocabulary to ask questions and express self in relation to the context.	Candidate makes few errors in construction and delivery of exchanges. Grammar and phrasing used are suitable to context and appropriately expressed.
2 marks	Understands instructions and engages in discussion making some use of other candidate's contributions. Candidate employs turn-taking strategies without prompting but may occasionally ask for clarification of other's contributions.	Uses stress and intonation and articulates most sounds of English to be understood by a sympathetic native speaker, but repetition is required.	Uses a sufficient range of language appropriate to level. Uses vocabulary that is mostly appropriate to express self in relation to the context although may be hesitant due to searching for the right word.	Candidate makes some errors in construction and delivery of exchanges, but these do not impede communication. Grammar and phrasing used are generally suitable to context and appropriately used. Candidate attempts to self-correct.
1	Partially follows instructions but does not engage fully in discussion and requires much repetition and/or prompting. Candidate fails to display full understanding.	Candidate articulates some sounds clearly but performance is not always consistent and utterance, frequently require repetition or clarification.	Can produce utterances with a less extensive range of vocabulary and basic grammar in relation to the context but relies heavily on a limited number of key words.	Candidate makes frequent errors in construction and delivery of exchanges, which might lead to ambiguity, affect meaning and impede communication. Limited attempt to self-correct.
