

## Recording Your Achievement

### BTEC National Certificate

Your course is made up of units. As you complete each unit your tutor will tell you what grade you have achieved - Pass, Merit or Distinction. To ensure that your assessed work has been marked fairly Edexcel checks samples of tutors' marking. This process usually takes place in February and the grades for your assessed units can change as a result.

When you have completed all the units of the course you will receive two overall grades for your qualification - again Pass, Merit or Distinction. These are the grades that will be shown on your certificate and that you should give when you apply for higher education or employment.

To calculate your overall grades, points are allocated to the grades you have achieved:

For each unit	
Pass	2 points
Merit	4 points
Distinction	6 points

The points are added together to give your final grades as follows:

BTEC National Certificate	
Points	Grades
56-72	DD
46-54	DM
36-44	MM
30-34	MP
24-28	PP
