Dear Head of Religious Studies,

**Important: Clarification of entry codes for GCE Religious Studies Unit 6584:
Implications (Summer 2008 examination series onwards)**

I am writing to clarify the entry procedures for GCE Religious Studies Unit 6584: Implications as detailed in the Information Manual dated September 2007. For the Summer 2008 examination series onwards, Unit 6584 will have 9 entry options. These options are as follows:

Unit Code	Option code	Unit title
6584	A	Philosophy of Religion
6584	B	Ethics
6584	C	Buddhism
6584	D	Christianity
6584	E	Hinduism
6584	F	Islam
6584	G	Judaism
6584	H	Sikhism
6584	J	New Testament

Centres should work with candidates to choose **one** of these options, on which they will answer questions in the examination. They should then enter candidates for their chosen option. On examination day, candidates will only receive the question and answer booklet for the option for which they have been entered. Entries should be made by 21 March 2008.

The requirements and the demands of the question paper remain unchanged from the Sample Assessment Materials for Unit 6584. Examples showing the layout of the question and answer booklet for Unit 6584 are available at www.edexcel.org.uk. If you require any further information, please contact our GCE enquiries team on 0844 576 0025.

Yours sincerely
