

## Unit summary sheet

# Unit GH21: Develop and enhance creative hairdressing skills

Unit code: K/600/1012

Credit: 5

### Unit aim

This is a job ready unit which is competency based. This unit is about developing creative hairdressing skills in a way that enhances their own professional profile. The ability to research, plan and create a range of images in conjunction with others is required in this unit. Evaluation of the results and how the design image may be adapted for commercial use also forms an important part of this unit.

### Assessment requirements

The assessment of this unit needs to meet the requirements within the HABIA Hairdressing and Barbering Assessment Strategies.

1. Simulation is not allowed for any performance evidence within this unit.
2. The learner must practically demonstrate in their everyday work that they have met the standard for developing and enhancing their creative skills.
3. The learner must produce evidence of creating three different hair designs, covering both types of image stated below. The assessor must observe the learner on at least one occasion.
4. The learner must show that they have:
  - covered at least one of the types of activities\*:
    - a) photographic
    - b) hair shows
    - c) competition work.
  - covered both types of image:
    - a) based on a theme
    - b) avant-garde.
  - used at least four out of the eleven techniques\*:
    - a) cutting
    - b) perming
    - c) relaxing
    - d) colouring
    - e) styling and dressing
    - f) adding hair
    - g) plaiting
    - h) twisting
    - i) locking
    - j) shaving
    - k) creating patterns in hair.
  - used at least two of the three types of additional media\*:
    - a) accessories
    - b) clothes
    - c) make-up.

- involved at least two of the range of relevant people in planning, implementing and evaluating the different images\*:
  - a) photographer
  - b) line manager
  - c) make-up artists
  - d) colleagues
  - e) show audience
  - f) competition judges.

NOTE: For this particular unit, knowledge, understanding and skills evidence need not be produced for the items not covered.

5. Although some evidence of the learners performance will be gathered from the observations made by the assessor, it is likely the learner will need to assemble relevant documentary evidence in their portfolio to meet the requirements of standard and qualification.

NOTE: Use of clipper attachments is not allowed at Level 3.

6. No mandatory written question are required for this unit.

#### **Additional information**

The assessment and quality assurance requirement for this unit provides evidence towards A and V units
