Have you just completed your BTEC qualification?

Tell us what you plan to do next by logging on to our web survey and answering some simple questions, and win great prizes from Apple!*

WIN
an iPad

We are carrying out a nationwide survey to find out what students go on to do once they have completed their BTEC qualification. Are you going on to further or higher education, plan to move into employment, or take a gap-year? We'd also like to know how you think your BTEC has helped prepare you for your next step whether that is further study, or the world of work.

Log on to www.btec.co.uk/progression2011 to take part

*Terms and conditions apply. Prize draw closes 30th September 2011 at 5pm.
