

# Trident

Trident from Edexcel is the leading national provider of work-related learning programmes, annually organising in excess of 140,000 placements.

The Trident BTEC Activators provide BTEC First students with enterprise-based projects to complete whilst on work experience. Each BTEC Activator includes ready made assignments to help students achieve unit outcomes, exercises that prepare students for work experience and materials to help students record and manage their placements. More information on the resources available for each of these qualifications can be found at [www.edexcel.com](http://www.edexcel.com). You can order any of these materials by using the order form at the back of this catalogue.
