Mathematics (Linear 1380 and Modular 2381)

Specification with no coursework for first certification June 2009. GCSE Mathematics is not part of the 2009 development. The specification will be redeveloped for first teaching in 2010 along with Functional Maths.

Our resources for GCSE Maths are already widely used in Edexcel centres. These market-leading materials are the only GCSE Maths resources to include the revolutionary ActiveTeach technology. This hugely popular resource gives teachers a unique way to deliver the specifications and engages students of all abilities.

For more information on the wide range of teacher and student support available for GCSE Maths, please visit www.edexcel.com and select Resources. Alternatively you can arrange an appointment with your local Account Manager by calling FREE on 0800 023 2923. You can also place an order using the Resources Order Form at the back of this catalogue.

Specimen Papers and Mark Schemes	£11.00	UG018584
Teacher's Guide: Scheme of Work	£12.50	UG018596
ICT Teacher's Guide	£7.50	UG018597
Mathematics in a Box	£50.00	UG019531

Mathematics in a Box offers the following range of guidance materials to enable teachers to use their time most efficiently and to enable students to achieve their full potential: specifications and specification exemplifications (linear and modular), sample assessment materials (linear and modular), schemes of work and ICT guide.

360Science

GCSE 360Science is not part of the 2009 development. Specifications will be redeveloped for first teaching in 2012.

Our resources for GCSE 360Science are already widely used in Edexcel centres. These market-leading materials are the only GCSE Science resources to include the revolutionary ActiveTeach technology. This hugely popular resource gives teachers a unique way to deliver the specifications and engages students of all abilities.

For more information on the wide range of teacher and student support available for GCSE 360Science, please visit www.edexcel.com. Alternatively you can arrange an appointment with your local Account Manager by calling FREE on 0800 023 2923. You can also place an order by using the Resources Order Form at the back of this catalogue.
