

GCE A Level and AS Level

We have published a wide range of resources to support many of our new GCE specifications. Written by qualification experts and highly respected authors, the resources are designed to engage all of your students and will provide the most comprehensive support for your department with planning, implementation and assessment.

More information, with regular updates and sample materials, can be found at www.edexcel.com/gce2008. You can also place an order through this site, or by using the Resources Order Form at the back of this catalogue.

International Specifications GCE Advanced Level and AS Level

Edexcel resources are available to support the IGCSE Maths specifications. More information can be found at www.edexcel.com. You can also evaluate the materials or place an order by using the order form at the back of this catalogue.

Past Question Papers and Mark Schemes with Examiners' Reports are available on a CD Rom. To obtain a free copy please contact your regional office.

Individual Question Papers and Mark Schemes and support documentation should be ordered from the main AS and A Level subject sections with the exception of the following subjects which are available only to international centres: Accounting, Ancient History (Greece) and Law.

Specifications, with the exception of Accounting, Ancient History (Greece) and Law, are in most cases almost identical both for centres in the United Kingdom and for international centres. The only exceptions to this general rule are:

1. Coursework options in the specifications are available only to Category A centres (International Teaching Institutions). Category B centres (private centres) must enter candidates for the 100 per cent externally assessed options in the specifications.
2. In the case of AS Biology, Category A centres (International Teaching Institutions) may enter candidates for either Unit 3 Paper 1 (Coursework) or Unit 3 Paper 2 (W1 Written Alternative Test). Category B centres (private centres) must enter candidates for Unit 3 Paper 2 (W1 Written Alternative Test). This paper is available only to candidates in international centres. Other papers are listed in the main GCE A Level section under the heading 'Biology'. Please note that the Mark Schemes with Examiners' Comments include the Unit 3 Paper.
