

GCSE

Where GCSE syllabuses are studied outside the UK, they are available only to candidates studying at centres that have been recognised as International Teaching Institutions.

Teacher and Student Support

We are publishing new resources to provide you and your students with comprehensive support for our new GCSE 2009 qualifications. Our dedicated suites of resources will be written by examiners and subject experts and ensure that you and your department have everything needed to deliver the specifications. To find out more visit www.edexcel.com/gcse2009. You can evaluate or order any of these materials by using the order form at the back of this catalogue. The resources icon highlights the specifications below supported by these resources.

We already have available a wide range of resources to support the two-tier GCSE Mathematics specifications and the 360Science specifications. For more information, please visit www.edexcel.org.uk/gcsemaths, or www.edexcel.org.uk/360science or use the order form at the back of this catalogue to evaluate or order.

Assessment Support

ResultsPlus is a FREE service that helps you understand more about the exam results achieved by your students, helping you raise attainment in your school. It is exclusively packaged with Edexcel GCSE and GCE qualifications and easily viewed on a secure website. To find out more visit www.resultsplus.org.uk.

360Science: Science (2101); Additional Science (2103); Biology (2105); Chemistry (2107); Physics (2109)

Our resources for GCSE 360Science are already widely used in Edexcel centres. These market-leading materials are the only GCSE Science resources to include the revolutionary ActiveTeach technology. This hugely popular resource gives teachers a unique way to deliver the specifications and engages students of all abilities.

For more information on the wide range of teacher and student support available for GCSE 360Science, please visit www.edexcel.org.uk/360science. Alternatively, you can arrange an appointment with your local Account Manager by calling FREE on 0800 023 2923. You can also request Evaluation Packs, or place an order by using the order form at the back of this catalogue.

GCSE 360Science is not part of the 2009 development. Specifications will be redeveloped for first teaching in 2012.
