# What's in the box?

You'll find all the resources you need to start teaching your BTEC Firsts for ICT Practitioners. The box contains complete support for seven units, consisting of:

- a detailed delivery plan
- case study activities
- two full assessment packages which include assignments, teaching guidance and exemplars
- three newsletters with hints and tips from lead verifiers and advice on teaching the BTEC Firsts.

Visit [www.edexcel.org.uk/firsts](http://www.edexcel.org.uk/firsts) for further information on BTEC Firsts and click on any subject heading to view sample pages.

## The units supported in BTEC in a Box are:

**Unit 1 Using ICT to Present Information**

**Unit 2 Introduction to Computer Systems**

**Unit 4 Website development**

**Unit 9 Database Software**

**Unit 10 Spreadsheet Software**

**Unit 16 Mobile Communications Technology**

**Unit 18 ICT Graphics**

You'll also receive a **FREE CD** that contains the specification, electronic files of all the support material and all the BTEC guidance and information your centre requires. A **FREE DVD** contains visual case studies of schools offering BTEC and interviews with students and teachers who have made the most out of their BTEC course.

## The NEW BTEC Activator

This new resource from Edexcel provides BTEC First for IT Practitioners students with enterprise based projects to complete while on work experience.

The BTEC Activator includes:

- ready made assignments to help students achieve unit outcomes
- exercises that prepare students for work experience
- interactive activities that occupy students while on placement
- materials which can be expanded to provide a personal planner.

To order your copies please refer to the order form overleaf or call 0800 579 579.
