

Active Leisure and Learning Bulletin: May 2011

Changes to vocational qualifications and Apprenticeship frameworks

The purpose of this Sector Update is to inform centres of recent changes to Edexcel's qualification offer for Sport and Active Leisure.

Qualifications which have been accredited onto the National Qualifications Framework (NQF) expired at the end of March 2011 at the latest. In most cases, these have been replaced by new qualifications on the Qualifications and Credit Framework (QCF) or on have been extended. This Sector Update details which qualifications have been replaced, and the start date for these, as well as the status of the remaining qualifications, and the SASE compliant Apprenticeship frameworks in the Sport and Active Leisure sector.

QCF Replacements Update

The Edexcel Level 2 NVQ in Coaching Teaching and Instructing 100/3217/4

The Edexcel Level 2 NVQ in Coaching Teaching and Instructing expired on 31st March 2011. Moving forward there will no longer be NVQs in Coaching in the sector.

SkillsActive have worked with SportsCoachUK to develop an entirely new framework of qualifications for the coaching sector. The framework will be made up of sports specific, Diplomas sized, QCF competence based qualifications that are effectively replacements for the more generic NQF NVQ. These will, in the related apprenticeship framework, be underpinned by Certificate sized sports specific qualifications.

Edexcel Level 3 NVQ Certificate in Spectator Safety (QCF) 600/1422/2

Edexcel NQF NVQ in Spectator Safety (500/4043/0) is being replaced by the Edexcel Level 3 NVQ Certificate in Spectator Safety (600\1422\2). Please keep checking the website for the new specification which will be available shortly: <http://www.edexcel.com/quals/NVQ-competence-based-qcf/sport/Pages/default.aspx>

The replacement Diploma will be operational from 1st June 2011. Please keep checking the website for the new specification which will be available shortly: <http://www.edexcel.com/quals/NVQ-competence-based-qcf/sport/Pages/default.aspx>

The Edexcel Level 2 NVQ Certificate in Spectator Safety expired on 31st March 2011 and has been replaced by an updated qualification, which has been re-developed specifically for inclusion in the SASE compliant framework. Details of the updated qualification will be provided as soon as its available. Apprenticeships

Moving forwards to SASE compliant frameworks, has resulted in several changes to the Sport and Active Leisure Apprenticeship frameworks, which are moving from one complex framework, with various pathways, to 14 different frameworks. As the new frameworks are published by SkillsActive, the website will be updated accordingly.

Listed below are the SASE compliant Sport and Active Leisure Apprenticeship frameworks. Currently these frameworks are not listed on the NAS website as funded however we have been advised by SkillsActive that according to the SFA advice, the frameworks will have funding attached to them 4-6 weeks from the date of issue. Please refer to SkillsActive for further information.
